Jeet Pattani

Web Developer

✉ jeetpattani18@gmail.com   🖥 jeet-pattani.github.io   📍 Rajkot, Gujarat, India

As a passionate web developer with intermediate skills, I am dedicated to programming and eager to succeed. My experience includes working with the LAMP stack, WordPress, and UI design. I am always enthusiastic about learning new technologies. A reliable team player, I possess strong communication skills and enjoy collaborating with others to create exceptional applications.
